**To:** Farak, Sonja (DPH)  
**Subject:** Now online! The EZGC™ web app will forever change method development

**It Doesn't Get Much Easier Than the EZGC™ Chromatogram Modeler**

- **It's EZ to Register**
  - If you have a Restek login, you're already done!  
(And if you don't, you can get one at no charge and with no hassle.)
- **It's EZ to Get Started**
  - A quick, 5-minute video will show you everything you need to know.
- **It's EZ to Use**
  - Just enter your target compounds, and in seconds, the EZGC™ system gives you a customized method, including column, conditions, and model chromatogram.
- **It's EZ to Analyze**
  - Model chromatograms are fully interactive. Zoom in, view chemical structures, and even overlay mass spectra.
- **It's EZ to Save**
  - Print your chromatogram and custom settings, or save them for future reference.

**But, don't take our word for it.  
Start developing incredible GC methods  
today!**
